Dear Teodora Borrisova,

On behalf of Cisco Networking Academy, I am pleased to congratulate Bulgarian Association of Networking Academies for receiving the 2018 Quarterly Regional Spotlight Award for achievements in Bulgaria. This award recognizes the valuable contributions of Academy Support Centers and the impact they have on the students and instructors of Networking Academy.

The efforts by the staff at Bulgarian Association of Networking Academies have generated tremendous opportunities in Bulgaria:

- Addition of 20 new academies in cooperation with the Ministry of Education
- Continued contributions to train instructors and promote Networking Academy

We understand that the success of Networking Academy depends on our partnership with ASCs such as yours, and your accomplishments are essential to our shared goal to create a new generation of global problem solvers.

Please accept my sincere gratitude and the accompanying certificate in appreciation for all of the past and continued contributions of Bulgarian Association of Networking Academies to Cisco Networking Academy.

With best regards,

Omar Shaban
Director, Operations and Services
